

WHY WE ARE HELPING SEND BOYS AND GIRLS TO SCHOOL IN ETHIOPIA:

Children in Kara Kore, Ethiopia who are fed nutritious lunches every day are 30% more likely to go to school

55% of children in Kara Kore do not attend school

Over 98% of families in Kara Kore live in extreme poverty

The average wage in Kara Kore is less than \$2/day

3 of every 4 adults in Kara Kore cannot read or write

Over 71% of people in Kara Kore are malnourished

Over 60% of girls drop out of school in Kara Kore by the time they are 13 years old

Kara Kore is one of the poorest villages in Ethiopia, in one of the most impoverished countries on the planet

WHY YOUR CUP OF LEMON-AID IS IMPORTANT:

\$1 provides a meal for a hungry schoolchild in Kara Kore

\$10 sends an illiterate woman to 20 Adult Education classes

\$15 provides a month of food rations and medicine to an entire family

\$20 sends a child to school for one month in a private school with small classes and an advanced curriculum
